H. F. Burdick and H. H. Sheldin of Norwich were contestants in the fivemile and ten-mile professional motorcycle races at the Danbury fair on Monday. Burdick ran fourth in the ten-mile event but both were unplaced in the five mile race. The five-mile was won by Gene Walker of Springfield in 6.06 1-5 and the ten mile by Bry Wishaar of Milyankes in 12 40.

#### PERSONALS

Samuel Curland of Hartford has been spending a few days with his parnets in Norwich.

Miss Gertrude Illinger, daughter of Mr. and Mrs. John Illinger of School street has entered the Academy of the Holy Family in Baltic to take a commercial course.

Harry Bragan, son of Mr. and Mrs. Michael J. Brogan, of Groton, has gone to New Haven to enter Yale col-lege. Mr. Brogan was graduated with honors from Norwich Free Academy

enter the hospital there as his health is not the best at this time. Mrs. Benjamin Mallory of Eastern Point, Mr. Partric's daughter, has been stay-ing with him here for a few days.

Part six of the report of the Connecticut Agricultural Experiment sintion at New Haven, just issued, deals with the diseases of field and garden L. Brown and was immediately adcrops. In one section those which have Graham, and Mrs. Graham.

Waterbury members of the W. C. T.

U. are preparing to entertain over 200 delegates to the state convention in that city Oct, 11, 12 and 13.

With the diseases of field and garden crops. In one section those which have been previously noticed are discussed, and in another are described some 40 stairs so that the council members diseases caused by fungi, etc., which have not been found before in this state on the plants named.

L. Brown and was immediately adjourned until after the annual fown meeting held in the town hall up and in another are described some 40 stairs so that the council members and any others present might attend.

Lust before ten closest. There is also a paper on diseases

aused by 'eel worms' or nematodes. A damage to begonias in this state, particularly to the Cincinnati variety.

The observations and experiments of the botanist, Dr. Clinton, indicate that the "powdery scab," which was thought by some botanists to be a very serious menace to potato growing, is not likely to prove a serious past at least in y to prove a serious pest, at least in this state.

Of great importance to potato grow-

ers is the third report of potato spray-ing tests in Connecticut. These tests are of special interest and value because they give the results of 14 years observation an dexperiment.

The general result has been that careful spraying with Bordeaux mix-ture gives substantial protection from blight, the greatest enemy of the grower, and aside from this increases

the yield, even in dry years when the blight does not appear.
Thus in 13 years' tests spraying increased the average yield by 33 bushels per acre. Even in blight-free years the average increase from spraying was 29 bushels per acre. In all but four of 23 tests the in-

creased yield more than paid cost of spraying—\$19 per acre—and showed a net gain of about \$15. No other applinet gain of about \$15. No other appli-cation gave as large increased yield as home-made Bordeaux mixture.

On the average, in the 13 years, ridging and deeper planting lessened the rot in blight years. Ridged pota-toes were easier to epray and gave as high total yields and a larger yield of first quality than those with level cul-ture.

An experiment on the effect of outting out blighted chestnut showed no effect on the rapidity with which the lisease spreads. The report concludes with a report of tests of field and garden seeds. made during the last four years.

The report of the botanist will be sent to all who apply to the Connecticut Agricultural Experiment station.

Pittsfield Has Stopped Shipments At the regular meeting of the and electric commissioners Supt. Ke-hoe presented a letter signed by Mr. ad while trespassing on New Hareh railroad property, as compared with 139 for the previous 12 months. Killed and injured were 346 as compared in regard to inner globes that are used

Hugh Treanor of Waterbury occupied a seat in the sanctuary. At the close of the mass Mrs. F. L. Farrell rendered two hymns, Burlal was in the family plot in the Catholic cemetery. Father Treanor read a committal service at the grave, and he was assisted by Father Dooley and Father McCarthy.

Undertakers Shea and Burke were in charge of the funeral arrangements. Rev. John H. Broderick was celen charge of the funeral arrangements.

No Cause for Complaint. "What is that Mexican peace commission doing?" asks a fussy exchange. Well, it has had its picture taken, for one thing. And that usually winds up proceedings, so dont be so meticulous.—Cleveland Plain Deal-

## PROPERTY OWNERS BEFORE COUNCIL

Several Raised Objections to Grade and Construction of New Sidewalks Ordered-Resolutions Passed With Slight Changes-Greeneville Residents Petition for Nitrogen Lights-Petitioners Ask Acceptance of Cliff Street Ex-

Just before ten o'clock the council econvened. The reading of the minreconvened. utes of the last meeting was omitted and they were accepted.

Clerk Arthur G. Crowell then read his return of publication on the side-walk changes ordered at the last

Side Walk Hearings Opened, Mayor Brown then declared the hearing open on the lines, width and grades of the westerly side of Union street. Rev. E. S. Worcester, F. J. Leavens and others were heard in regard to the matter. Mr. Leavens said gard to the matter. Mr. Leavens said he represented several property own-ers, including himself, in that section, and he felt the walks are better than the majority of walks on the city. He thought the work might be postponed until next season owing to the late-ness of the present season, and the short time in which the property own-ers have to complete the walks. ers have to complete the walks.

Mayor Brown said he thought much progress as possible should made this year on the walks. Councilman Babcock asked whether he line is straight or ziz-zags to to follow, the offset wall and it was pointed out that the line called for is parallel with and twenty inches from the wall, and is as near a straight line as conditions permit.

Attorney Huntington asked as to the change of grade and Engineer Pitcher said it is very nearly the same as the present grade.

Mr. Huntington, who spoke for the Huntington property thought a five foot walk would answer as well as a six foot walk which is the width of the walls ordered by the council. As there was no one else to be heard the hearing was then declared closed and on motion of Councilman Babcock decision was reserved until after the other hearings.
The second hearing was in regard

to the easterly line on Union street. Miss Lucas, who owns property there was among those to be heard. She asked that a strip of two feet in width be left to allow for trees.

Mayor Brown said the intention wa to leave such a strip but that it is felt that this must be abandoned as ome of the property owners feel that t would be encroaching on their prop-

Walter Abendroth, who spoke for the Dziomba property was against the proposed curb change. Hearing No. 3 was on the line and width of the walk on the westerly side of Broadway. D. T. Shea, a property owner, asked as to the width of the in old carbon arc lamps in use by the city. Owing to the strike that is going on at the Pittsfield plant of the General Electric Co., it is impossible to give shipping data on these arc globes. The writer of an article which appeared in The Bulletin Monday morning seemed to construe the idea that the inner globes need washing. This is not the case as will be seen by the letter. ent walk and was told it is the same The line and width of the walks or

Main street. Hearings on Walk Construction asked how soon it would be before the property owners could get specifications. Engineer Pitcher said that so far they and been able to supply specifications as fast as demanded. C. J. Isbister spoke for the New Ha-ven road who hold property on the easterly side of North Main street. He said that the company did not feel it necessary to lay a walk there at the present time and were not in a posi-tion to do so. D. T. Shea asked if the laying of the walks was compul-

Second Church Society.

the laying of the walks was compulsory and was told that that is the way the orders read.

Clerk Crowell read a communication from Anna Tarrant of San Francisco in regard to her property which is included in the above. She was in factured in the above. vor of a tar or asphalt walk but not in favor of granolithic as ordered. The council took a recess at 11.30 to consider the objections raised. When they returned to the council chamber the mayor announced that the original resolutions with the exception of one or two changes were adopted. The Eliabeth Huntington property on Broadway was dropped of refreshments committee, Miss Elizabeth Lane; chairman of Lookout committee, Miss Alice Jackson. Plans from the list for the present. The property owners on the easterly side be held later on in the fall and other interesting business was transacted.

FUNERAL.

Roopies.

Property on Broadway was dropped to property owners on the easterly side of North Main street were given an option on tar or asphalt walks. The City of Norwich Gas and Electric department was ordered to read Norwich Gas and Electric Company.

Carroll Avenue Accepted by City The following resolution by which the city accepts Carroll avenue, was

passed:
That the deed from Adams P. Carroll to the city of Norwich, of a certain strip of land known as Carroll avenue and located on the easterly side of Broadway, for highway purposes, dated Sept. 29, 1916, be and the same is hereby accepted by the city of Norwich and that said deed be accepted in the Norwich Land Records. recorded in the Norwich Land Records.
In regard to the motor vehicle law and fire prevention day Mayor Brown had the following to communicate to he council:

There are two matters of importance to the city and its citizens which wish to mention briefly at this time. The Motor Vehicle Law. The first is the manner in which the streets of the city are used by the

owners and drivers of motor vehicles A number of complaints have been made, and with reason, of the careless manner in which automobiles are handled particularly in the down-town streets of the city. These streets are narrow and often congested by the traffic of trolley cars and other vehicles as well as people on foot. In the face of these conditions and in spite of repeated warnings a number of automobile drivers persist in falling to observe the laws of the state, particularly with regard to coming to a stop before passing standing trolley cars and in going through crowded in streets at an excessive rate of speed. manner in which automobiles are streets at an excessive rate of speed. With the approval of the Police De-partment I propose to strictly enforce

Police Department to make an ex-ample of any offenders who are ar-rested on this charge. I trust that all will cooeprate hereafter in the strict enforcement of the law.

Fire Prevention Day. The other matter is that of Fire Prevention Day, Monday, October 9th has been set aside by National and State Proclamation as Fire Prevention Day, particularly with the purpose of instructing the school children, and others, in the importance of keeping the prevention of sources of danger of this sort, and the very creditable record made by our Fire Department record made by our Fire Department is due in large measure to the core so taken. As an object lesson to the school children the chief of the fire department, with the approval of the Fire Commissioners, proposes to give a demonstration with the apparatus from the Central Station on Union Square a short time before school opens on Monday morning, next. This should prove an important object lesson should prove an important object les son to the children of the costly equip-men which the city has to maintain in large measure to offset the carelessness of people which causes a large proportion of the fires with which the department has to contend, I be-lieve it would be well worth while, and I recommend that the teachers in the pubic schools take occasion next Monday to impress upon their pupils the importance of greater care in every possible way to prevent loss

by fire. Arc Light for Washington St. The police commissioners presented ne following report:
Petition of F. W. Cary and others

granted an are light is ordered for Washington street.
Petition of William Crowe and others: It is ordered that there will be enough light on Laurel Hill bridge when the new arcs are installed.

Petition of A. V. Covello and others: As Cliff street extension has not been granted. It is advised that the peti-accepted by the city a light is not tioners be given leave to withdraw.

Petition of J. J. Dennis and others granted, and light ordered for North Main street south of Shetucket Co The report was accepted, the recom-mendation adopted. The city auditor's report, Martin E.

en auditor, was presented and ac-

Want Nitrogen Lights. A petition signed by Charles H. Burton and others asked a change in lighting system on North Main street from the corner of North Main street and Central avenue to the corner of North Main and Boswell avenue from the present bug lights to the new nitrogen light system. This was referred to the gas and electric coinmissioners with power.

A petition signed by Gilbert S. Ray-mond and 13 others asked the laying out of a public city street, that tract of land forty feet in width running easterly from Roath street and which is known as Cliff street extension. This petition was referred to the pubic works committee.

Alderman Dolbeare of the finance

street commissioner and the quarterly report of the chief of police were ac-cepted and ordered printed in the

Department Bills Approved. Department bills were ordered aproved as follows: Water department, \$3,236.46; and electric department, \$18,599.33; park, 457.15; fire department, \$4.076.-55; police department, \$2,647.56; street lighting, \$557.02; publi-\$6,499.40; finance department, \$16,559.

The treasurer's report will be found on Page Seven. NORWICH MUSIC ASSOCIATION.

Opening Night at Slater Hall Was Devoted to Russian Music. The first meeting of the season of the Norwich Music association was held last evening in Slater hall and was devoted to Russian music. Preceding the musical programme, short taik on Russian music and com-posers was given by Mrs. Charles Haskell which added much to the apprecia-tion and enjoyment of the evening. The very short period which is covered by Russian composition, only 70 years was spoken of, the lyric style, and the evolution from the national folk songs The oldest form was heard in the Rus-sian hymn sung by a double male quartette and is perhaps familiar to us

Selections from the opera A Life for a Czar were given by Miss Helen B. Royce, violin, with fine technique and sympathetic interpretation. Miss Royce was accompanied by Miss Annie Taft.
Mrs. Tracy Sheffield's delightful rendering of the Nocturne, Scriabine and Etude-Arensky was delicate and dainty in the extreme.

Mrs. Gardiner Greene was heard

two groups of songs, each showing the prevailing characteristic of the Rus-slan music, a tone of sadness, which was most sympathetically brought out. Mrs. Greene was accompanied by Miss Ella Potter.

Miss Royce's second selections.
Tschalkowsky's Song Without Words
and Glazounoff's Meditation, were also
sweet and lovely of tone.
In sharp contrast of style were the

In sharp contrast of style were the rollicking Polichinelle by Rachmaninoff, beautifully played by Robert Gale Noyes, and the playful Dance of the Gnomes by Sapellnikoff, given so exquisitely by Mrs. Sheffield, New Kentucky Industry. The Kentuckian who was bitten by a moccasin and cured himself by drinking a quart of corn whiskey is now doing a thriving business pointing out the place where the snake was last seen.—Macon Telegraph.

Real Food Dictator. If the Germans want a real "food ictator" they might import a highpriced American dyspensia specialist.

LAWYER F. G. BROWN KILLED UNDER CAR Son of Coroner Franklin H. Brow Went Under Overturned Auto.

Franklin G. Brown of Main street, Plantsville, son of Coroner Franklin H. Brown, of this city, was almost instantly killed about 7 o'clock Saturday evening when his Ford roadster turned turtle almost in front of the Queen street school in Southington. Just how the accident occurred is not known as Mr. Brown was alone at the time and no one witnessed the Lights—Petitioners Ask Acceptance of Cliff Street Extension by City—Department Reports Accepted and Segment Point, and the best at this time. Mrs. Benjamin Mallory of Eastern Point, Mr. Partric's daughter, has been staying with him here for a few days.

The papers were filed in the perior court office here on Monday. Hartford—The simultaneous evange-listic campaign adapted from the in-dianapolis plan was launched Sunday evening at the Center church.

How To Get Rid of Catarrh, Catarrhal Deafness or Head Noises

Head Noises

If you have catarrh, catarrhal deafness or head noises caused by catarrh, or if phiegm drops in your throat and has caused catarrh of the stomach or bowels, you will be glad to know that these distressing symptoms can be entirely overcome in many instances by the following treatment, which you can easily prepare in your own home at little cost. Secure from Loa & Osgood, or any druggist, 1 ounce of Parmint (Double Strength). This will not cost you more than 75c. Take this home and add to it ¼ pint of hot water and 4 ounces of granulated sugar; stir until dissolved. Take one tablespoon. ful four times a day. A decided improvement is sometimes noted after the first day's treatment. Breathing becomes easy, while the distressing head noises, headsche duliness, cloudy thinking, etc. gradually disappear under the tonic action of the treatment. Loss of smell, taste, defective hearing and mucous dropping in the back of the throat are other symptoms which suggest the presence of catarrh and which are often overcome by this efficacious treatment. Nearly 90 per cent, of all ear troubles are said to be directly caused by catarrh, therefore, there must be many people whose hearing can be restored by this simple home treatment.
